**BULGARIAN WORDS IN EVLIYA ÇELEBI'S  
SEYAHATNAME (17<sup>TH</sup> CENTURY)**

**Abstract:** The paper offers a presentation and discussion of several words classified as Bulgarian in the original text of Evliya Çelebi's *Seyāhatnāme* as well as in its two modern editions. Besides, some other possible Bulgarianisms are discussed, even though they were not classified as such by the editors.

**Keywords:** philology; Bulgarian; Serbian; Ukrainian; Slavic; Evliya Çelebi
