

Dear colleagues,

The Organising Committee of the onomastic conference entitled “Anthroponyms and Anthroponymic Researches in the Beginning of the 21st Century”, 20-21 April 2021, took the hard decision the scientific event to be transformed into an online one due to Covid-19 pandemic.

The conference will be held via ZOOM platform and will be streamed live online in the channel of the Institute for Bulgarian Language “Prof. Lyubomir Andreychin“, Bulgarian Academy of Sciences, in You Tube.

Information including instructions for work with the platform and a link to the virtual scientific event will be sent to you in the beginning of April 2021.

Sincerely,

Organising Committee
