

Dear colleagues,

Due to the increasing COVID-19 pandemic not only in Bulgaria but in the whole world the organizing committee of the onomastic conference “Anthroponyms and Anthroponymic Researches in the Beginning of the 21st Century” (Sofia, 20-21 April 2021) took the decision to inform you about the two possible ways of participation in it depending on future development of the situation in the spring of 2021 – **hybrid** (personal or virtual attendance) or **on-line** only.

We kindly ask you to follow the information given on the official site of the conference about the platform that is going to be used and about other important details.

Sincerely,

The Organizing Committee
